Today's homeowners are emboldened to use more vivid colors to express their individual styles. To suit every style of kitchen interior, GRAFF offers an array of 24 luxurious handcrafted finishes including Olive Bronze, 24K Gold, OR'osa, Brushed Rustic Bronze, and Polished Nickel.

Après plus d'une décennie de tons neutres régnant dans les intérieurs de cuisine, les designers célèbrent l'aube d'une nouvelle ère, une ère colorée qui reflète la créativité, la chaleur et les passions de la cuisine. Les propriétaires d'aujourd'hui sont encouragés à utiliser des couleurs plus vives pour exprimer leurs styles individuels. Pour s'adapter à tous les styles d'intérieur de cuisine, GRAFF propose une gamme de 24 finitions artisanales luxueuses, notamment le bronze olive, l'or 24 carats, le bronze rustique brossé, OR'osa et le nickel poli.

Dopo più di un decennio di toni neutri in cucina, i designers celebrano l'alba di una nuova era piena di colori che rispecchiano la creatività e la passione che deve esserci in cucina. I clienti di oggi sono incoraggiati a utilizzare colori più vivi per esprimere la loro personalità. Per adattarsi ad ogni stile GRAFF offre una varietà di 24 finiture curate a mano tra le quali il Bronzo Oliva, l'oro 24 carati, OR'osa, bronzo rustico spazzolato e nickel lucido.

**AN HOMAGE TO TRADITIONAL CRAFTSMANSHIP, DUXBURY BLENDS CUTTING-EDGE DESIGN WITH CLASSIC DETAILS AND HIGH PERFORMANCE FEATURES FOR THE CHEF AT THE HELM.**

Inspired by the famed sailing vessels of Duxbury, Massachusetts, the Duxbury Collection infuses the kitchen with a sense of heritage, craftsmanship, and luxury. Ringed details recall ship's rigging, while the handle suggests the bow and boom, subtly enhancing the character of the culinary space. Pairing precision engineering with powerful performance and striking design, Duxbury elegantly enriches a vast array of interiors.

**UN HOMMAGE À L'ARTISANAT TRADITIONNEL, DUXBURY MÉLANGE UN DESIGN DE POINTE AVEC DES DÉTAILS CLASSIQUES ET DES CARACTÉRISTIQUES DE HAUTES PERFORMANCES POUR LE CHEF QUI EST À LA BARRE.**

Inspirée des célèbres voiliers de Duxbury, dans le Massachusetts, la collection Duxbury insuffle à la cuisine un sens de l'héritage, de l'artisanat et du luxe. Les détails annelés rappellent le gréement du navire, tandis que la poignée suggère la proue et la bôme, rehaussant subtilement le caractère de l'espace culinaire. Associant une ingénierie de précision à des performances puissantes et à un design saisissant, Duxbury enrichit avec élégance les espaces d'intérieurs.

I dettagli ad anello ricordano il sartiame della nave, mentre la maniglia suggerisce la prua e il boma, esaltando sottilmente il carattere dell'ambiente cucina. Abbinando la precisione ingegneristica a prestazioni potenti e a un design accattivante, Duxbury arricchisce con eleganza una vasta gamma di interni.

## EN GRAFF General Terms and Conditions of Sales

**I. General Provisions**

- These General Terms and Conditions of Sales (further also referred to as the GTCs) apply to all sales transactions conducted by GRAFF and constitute an integral part of these transactions. These GTCs shall not apply to sales transactions conducted with final consumers (products users).
- These GTCs are publicly available at [www.graff-mixers.com](http://www.graff-mixers.com), and this information is communicated to the Buyer before the agreement is concluded. By signing the agreement or placing an order, the Buyer acknowledges that they have read and understood the GTCs and agrees to apply and use all conditions.
- If the Buyer is in a business relationship with Graff but has not signed the trade cooperation agreement, the Buyer's acceptance of the GTCs for one order shall be considered their acceptance for the remaining orders.
- If the Buyer has submitted a statement of non-acceptance of the GTCs, Graff retains the right to suspend the release of merchandise until it receives the Buyer's written statement of acceptance of the GTCs.
- Graff does not accept the GTCs prepared and applied by the Buyer insofar as they are inconsistent with or different from these GTCs. The only exception is the situation where Graff agrees in writing to accept the Buyer's GTCs.

**II. Conclusion of the Agreement**

- The essential trade terms applicable in a given period between Graff and the Buyer are described in the trade cooperation agreement signed by both Parties. The Signing of this trade cooperation agreement shall be tantamount to the Buyer's acceptance of the GTCs. To the extent not regulated by the agreement, the GTCs shall apply.
- In the absence of the trade cooperation agreement, the document that binds the Parties shall be the Buyer's written order confirmed by Graff within 2 business days following the receipt thereof. In the absence of such confirmation, the order shall be deemed not accepted. In the confirmation of the order Graff confirms final terms applicable to sales (if for any reason they may differ from the previously agreed ones).
- The order should state the following: detailed name and address of the Buyer; ordered products and their quantities; date and place of the delivery; agreed form and date of payment. The order should bear the company stamp and be signed by a person authorised to place orders on behalf of the Buyer.
- Price lists, advertisements and other sales literature concerning Graff's merchandise are for informational purposes only and shall not be considered binding.

**III. Prices and Terms of Payment**

- Retail prices stated by Graff in the price list are net prices (i.e. excluding VAT applicable on a given territory) and they do not include costs of merchandise transport to the destination.
- When so desired by the Customer, Graff may organise transport of merchandise to the Customer-specified location in which case all related costs are borne by the Customer unless agreed on by prior written consent. Graff retains the exclusive right to select the transportation method and carrier. As soon as the buyer receives merchandise, the Buyer shall be obliged to notify Graff in writing about any and all damage to the merchandise while in transit. Merchandise will be insured for the time of transport against damage, theft or destruction at the Buyer's expense.
- The selling price for the Buyer shall be based on the price list that is valid on the order placement date. The selling price shall be the list price reduced by an applicable discount only when the discount has been confirmed by Graff in writing (by way of the agreement or order confirmation).
- The Buyer may be granted a sales discount consisting of a reduction to the net list price, and the display discount i.e. special reduction of the net list price applicable to the Buyer's purchase of products for their own display.
- Graff reserves the right to change the list prices without prior notice to the Buyer. The change of the price shall not apply to confirmed orders.
- The entire payment for all received merchandise should be concluded within the time limit specified in the agreement or the invoice. Should the time limit specified in the agreement and the invoice be at variance, payment should be effected at the earlier thereof. In each case the time limit for payment shall be calculated from the invoice date.
- The Buyer's payment date shall be the date when the receivable is credited to Graff's account.
- Lodging a complaint shall not authorise the Buyer to withhold payment for the merchandise or a part thereof.
- In its relationship with Graff, the Buyer shall not have the right to make a unilateral statement on offsetting.
- Should the payment be delayed, Graff retains the right to charge 8% of interest for the delay.
- Should the Buyer exceed the time limit for payment for the

delivered merchandise under at least one invoice, Graff shall have the right to call for immediate payment of the remaining invoices whose payment deadlines have not expired yet.

- If the payment amounts due are delayed, Graff shall have the right to withhold processing of other orders placed by the Buyer. If the delays in payments recur or if it is unilaterally ascertained that the Customer is insolvent, Graff shall have the right to terminate the sales agreement immediately.

**IV. Delivery Terms**

- Delivery of the merchandise ordered by the Buyer is effectively based on the Buyer's order and Graff's confirmation of the order acceptance. Should the order and confirmation of the order acceptance be at variance, the latter shall prevail. The deadline for delivery shall run from the date of confirmation of the order acceptance and not from the order placement date. The deadline for delivery shall be deemed kept if the merchandise leaves Graff's warehouse before it has passed.
- Graff reserves the right to postpone the deadline for delivery without any consequences whatsoever if the Buyer has payments to Graff in arrears for the merchandise that they have already collected.
- Graff shall indicate the anticipated deadline for delivery in writing. Should the deadline for delivery be not confirmed, Graff will make every effort in order to prepare merchandise for collection, taking into account the Buyer's interests. Anticipated delivery times included in order confirmations are estimates only and are not binding. In no case will delivery delays give the buyer the right to claim any compensation.
- Delivery of merchandise can be prevented and delayed due to a force majeure event that has affected Graff or its suppliers. Force majeure events should be understood in particular as business disturbances affecting the manufacturer of merchandise, strikes, shortage of materials, labour or transport vehicles and natural disasters. The Buyer shall have no right to claim for the redress of the damage resulting from non-performance or delayed performance of the agreement.
- The Buyer may refuse to accept partial deliveries. Graff shall be obliged to obtain the Buyer's written consent for a partial delivery. A partial delivery should be invoiced in parts.
- Return of the merchandise that has been delivered in line with the confirmed order and without previous arrangement of such return with Graff shall not be allowed. Merchandise that has been sent back to Graff's warehouse without Graff's knowledge will not be accepted from the carrier. In the case of the approved return of the merchandise already purchased by the Customer, the merchandise will be burdened with 30% of the invoiced price against warehouse handling costs. Graff shall not accept the merchandise other than in the original sealed packaging.
- The return of defective merchandise shall be an exception to the provisions of item IV.6.

**V. Complaints**

- Complaints related to visible damage to the merchandise or their packaging in transport should be lodged within a maximum of 8 days from the reception of the shipment in the presence of the carrier's representative under loss of claim thereunder. Such complaints should be also recorded in the carrier's receipt.
- Quantitative complaints should be lodged within a maximum of 8 days from reception of the shipment in the presence of the carrier's representative under pain of loss of claim thereunder. While receiving each shipment the Buyer shall be obliged to check received quantities, immediately record missing quantities (if any) in the carrier's receipt and report them to Graff.
- Complaints lodged by final customers should be pre-verified by relevant personnel of the Buyer and then immediately, i.e. within 24 hours following their report by the final customer, reported to Graff.
- All complaints should be lodged in writing. A complaint should be lodged with a photograph about the defect to the product and a short description of the defect itself.
- Should the complaint be admitted, Graff shall be obliged to remove the defect. It is Graff that decides at its own discretion how to remove the defect.
- The Buyer shall be obliged to store all defective merchandise with due diligence and in a way that prevents their further damage or loss until the complaint is finally settled.
- If no complaints are lodged in a form and within time limits indicated in the General Terms and Conditions of Sales and a warranty, the Buyer shall lose its right to return the merchandise.
- Graff is not responsible for labor charges, installation or other incidental or consequential costs the buyer incurs. In no event shall Graff's liability exceed the purchase price of the product.
- Graff may require the buyer to return the product to Graff for evaluation due to any claims.

**VI. Retention of Title**

- Graff retains the title to the sold merchandise until the Buyer makes all payments due under the agreement.
- The Buyer shall be obliged to notify Graff about any retained merchandise that is a result of enforcement proceedings against the Buyer or its property.
- If the Buyer fails to pay for merchandise within the agreed time limit, Graff shall be entitled to demand the return of such merchandise from the Buyer. Should the merchandise be used or damaged, Graff shall be entitled to claim for compensation thereunder.

**VII. Liability**

- Graff shall not be held liable for improper use of its products. It shall also not be held liable for improper (not in agreement with the included written instructions) assembly of the product and its installation by installer.
- Graff shall be held liable for damage caused by its products but only when it results from malicious intent or negligence on the part of Graff. Graff shall not be held liable for negligence of its employees or business partners.
- In each case Graff's liability shall be limited to circumstances that are known or foreseeable at the time when the agreement is concluded.
- Graff shall not be held liable for the loss of benefit by the Buyer or third parties. Graff shall not be held liable either if any actions are brought against the Buyer by third parties.

**VIII. Termination of the Agreement**

- If Graff and the Buyer have concluded the trade cooperation agreement, each Party may terminate it in writing at any time.
- In the absence of the trade cooperation agreement, Graff may terminate the agreement concluded by way of written confirmation of the order immediately should it be unable to execute the order for reasons beyond its control.

**IX. Final Provisions**

- The agreement conducted by the Parties and/or the GTCs shall be governed by the governing laws effective in the country where the invoice for Graff's products was issued.
- The Parties exclude application of the United Nations Convention on the International Sale of Goods.
- All disputes arising in connection with the GTCs or the trade cooperation agreement (if any) shall be unanimously submitted by the Parties to the court having jurisdiction over Graff's invoice drawer.
- In the case of the Buyer's change of address, the Buyer shall be obliged to communicate the new address to Graff in writing. Should the Buyer fail to do so, all communications sent to the previous address shall be considered effectively given.
- If one or more provisions of the GTCs become invalid, the validity of the remaining provisions of the GTCs shall remain intact.

## FR Conditions générales de vente GRAFF

### I. Dispositions générales

- Les présentes conditions générales de vente (ci-après également dénommé (GV) s'appliquent à l'ensemble des opérations de vente conclues par GRAFF (ci-après également dénommé le VENDEUR ou GRAFF) et en font partie intégrante. Les présentes CGV ne sont pas applicables aux opérations de vente conclues avec des consommateurs (les utilisateurs finaux).
- Les présentes CGV peuvent être consultées sur le site Internet : [www.graff-mixers.com](http://www.graff-mixers.com). L'Acquéreur en est informé avant la conclusion du contrat. En signant le contrat ou en passant une commande, l'Acquéreur déclare avoir pris la connaissance des CGV, comprend leur contenu et les accepte.
- Si l'Acquéreur entretient des relations commerciales permanentes avec Graff mais qu'il n'a pas signé un contrat de coopération commerciale, l'acceptation par l'Acquéreur des CGV lors d'une commande, est considérée comme l'acceptation de ces dernières pour les autres commandes.
- Si l'Acquéreur a déposé une déclaration de non-acceptation des CGV, GRAFF dispose d'un droit de refuser la livraison de marchandise, jusqu'à la réception d'une déclaration écrite de l'Acquéreur de l'acceptation des CGV.
- Graff n'accepte pas les CGV établies et appliquées par l'Acquéreur, ci ces dernières sont opposées ou différentes des présentes CGV. La seule exception est faite sur autorisation écrite de Graff à l'Acquéreur.

### II. Établissement du contrat

- Les principales conditions commerciales, en vigueur entre GRAFF et l'Acquéreur pendant une période donnée, sont définies dans le contrat de coopération commerciale signé par les deux parties. La signature de ce contrat constitue l'acceptation des CGV par l'Acquéreur. Les CGV s'appliquent pour toute question non couverte par le contrat.
- En cas de défaut de contrat de coopération commerciale, la commande écrite de l'Acquéreur, confirmée par GRAFF dans un délai de deux jours ouvrables suivants sa réception, constituera le document contraignant pour les deux parties. En cas de défaut d'une telle confirmation, la commande est réputée non acceptée. GRAFF confirme les conditions définitives de vente dans la confirmation de commande (si, pour une raison quelconque, elles peuvent être différentes de celles prédefinitives).
- La commande doit indiquer : la dénomination et l'adresse exacte de l'Acquéreur, la nature et la quantité exacte de la marchandise commandée, le lieu et le délai de livraison, le mode et le délai convenus pour le paiement. La commande doit être munie d'un cachet d'entreprise et signée par une personne habilitée à élaborer des commandes au nom de l'Acquéreur.
- Les tarifaires, les publicités et les autres annonces concernant les produits proposés par Graff n'ont qu'une valeur indicative.

### III. Prix et conditions de paiement

- Les prix de détail publiés par Graff dans les tarifs sont des prix net (sans la TVA applicable sur le territoire concerné) et ne comprennent pas les coûts de transport des marchandises vers leur destination.
- Sur demande du client, Graff peut organiser le transport de la marchandise vers une destination définie par le client, mais dans ce cas, le client supporte l'intégralité des frais afférents. Le choix du mode de transport et du transporteur relève de la compétence de Graff. L'Acquéreur est tenu d'informer Graff de tout dommage causé à la marchandise pendant le transport dès réception de la marchandise. Pendant le transport la marchandise sera assurée contre les dommages, vols ou destructions, aux frais de l'Acquéreur.
- Le prix de vente est déterminé pour l'Acquéreur sur la base du tarif en vigueur le jour de la commande. L'application d'une remise éventuelle au prix de marché pour fixer le prix de vente n'est possible que sur confirmation écrite de Graff (sous forme d'un contrat ou dans la confirmation de la commande).
- L'Acquéreur peut bénéficier d'une remise professionnelle, c'est-à-dire une remise sur le prix tarifaire net et d'une remise pour exposition, c'est-à-dire une remise particulière sur le prix tarifaire net, prévue pour l'achat par l'Acquéreur de produits destinés à être exposés par ses soins.
- Graff se réserve le droit de modification des prix tarifaires sans notification préalable à l'Acquéreur. La modification du prix ne s'appliquera pas aux commandes déjà confirmées.
- Le paiement de la marchandise reçue doit être effectué totalement, dans le délai défini dans le contrat ou sur la facture. En cas de divergences entre le délai déterminé dans le contrat et celui défini sur la facture, le paiement doit être effectué dans le délai le plus court. Dans tous les cas, le délai de paiement court à compter de la date d'établissement de la facture.
- La date de réception du paiement sur le compte de Graff est considérée comme la date de paiement par l'Acquéreur.
- La présentation d'une réclamation ne donne pas le droit

à l'Acquéreur de refuser le paiement de tout ou partie de la marchandise.

- L'Acquéreur ne dispose du droit de présenter une déclaration unilatérale de déduction à Graff.
- En cas de retard de paiement, Graff dispose du droit de réclamer le paiement d'intérêts de retard s'élevant à 8% par an.
- En cas de dépassement par l'Acquéreur du délai de paiement pour une marchandise livrée correspondant à au moins une facture, Graff est en droit d'exiger le paiement immédiat des autres factures avant l'échéance de leurs délais de paiement.
- En cas de retard de paiement, Graff est en droit de refuser les autres commandes effectuées par l'Acquéreur. En cas de retards répétés des paiements ou en cas de constatation unilatérale de non-solvabilité du Client, Graff dispose du droit de dénoncer le contrat avec effet immédiat.

### IV. Conditions de livraison

- La livraison de la marchandise commandée par l'Acquéreur est effectuée en fonction de sa commande et de la confirmation de réception de la commande par Graff. En cas de divergences entre la commande et la confirmation de réception de la commande, le contenu de la confirmation de réception de la commande fait foi. Le délai de livraison court à partir de la date de confirmation de la commande et non à compter de la date de la commande. Le délai de réalisation de la commande est réputé respecté si la marchandise a quitté le dépôt de Graff avant son échéance.
- Graff se réserve le droit de repousser le délai de livraison, sans subir de conséquences, si l'Acquéreur ne s'est pas acquitté du paiement des marchandises qu'il a déjà reçu.
- Graff notifiera par écrit la date de livraison promise dans la confirmation de commande. Graff fera tout son possible pour respecter la date promise. La date promise indiquée dans la confirmation de commande n'est pas une date contraignante. En aucun cas, les retards de livraison ne peuvent donner droit au client à une indemnisation.
- Si il est impossible de livrer la marchandise, en raison d'un cas de force majeure qui touche Graff ou l'un de ses fournisseurs, l'Acquéreur ne dispose pas du droit de demander une réparation des dommages qui résultent de la non-satisfaction de la commande ou de sa satisfaction au-delà du délai imparti. Par cas de force majeure il faut notamment comprendre les perturbations du fonctionnement du producteur des marchandises, les grèves, la pénurie de matériaux, la pénurie de main d'œuvre, le défaut de moyen de transport et les catastrophes naturelles.
- L'Acquéreur peut refuser une livraison partielle. Graff a pour obligation d'obtenir un accord écrit de la part de l'Acquéreur pour effectuer une livraison partielle. Dans le cas d'une livraison partielle une facture partielle doit être établie.
- Le retour de marchandise livrée conformément à une commande confirmée sans accord préalable de Graff est impossible. La marchandise réexpédiée au dépôt de Graff sans que celui-ci en ait été informé au préalable ne sera pas acceptée. En cas d'accord pour le retour de marchandises acquises par le Client, ce dernier devra s'acquitter d'une somme correspondant à 30% de la facture au titre des coûts de manutention. Graff n'acceptera pas de marchandises autres que celles retournées dans leurs emballages d'origine et portant les cachets d'emballage.
- La restitution de marchandises défectueuses constitue une exception au point IV. 6.

### V. Réclamations

- Les réclamations relatives à des dommages visibles à la marchandise ou à l'emballage doivent être signalées lors de la livraison au transporteur et signalées sur le document de transport. En tout état de cause, le signalement devra être fait à Graff dans un délai maximum de 8 jours à compter de la date de livraison sous peine de nullité du litige.
- Les réclamations relatives aux quantités livrées doivent être signalées au transporteur au moment de la livraison et signalées sur le document de transport. En tout état de cause, le signalement devra être fait à Graff dans un délai maximum de 8 jours à compter de la date de livraison sous peine de nullité du litige.
- Les réclamations émanant des clients finaux doivent être vérifiées au préalable par les services compétents de l'Acquéreur et notifiés à Graff dans un délai de 24 heures.
- Toute réclamation doit être effectuée par écrit. Une photographie des défauts des produits, ainsi qu'une description écrite succincte doivent être joints à la lettre de réclamation.
- En cas de réclamation réputée justifiée, Graff est tenu de corriger le défaut. Le mode de correction du défaut relève de la seule responsabilité de Graff.
- Jusqu'au résultat de l'examen d'une réclamation, l'Acquéreur est tenu de conserver soigneusement la marchandise concernée de façon à empêcher des dommages ou l'apparition de défauts ultérieurs.

- Une absence de réclamation dans la forme et les délais indiqués dans les conditions générale de vente et dans la garantie entraîne pour l'Acquéreur la perte du droit à réclamation sur la marchandise.
- GRAFF n'est pas responsable des coûts de main-d'œuvre, d'installation ou autres coûts supportés par le client. En aucun cas, la responsabilité de GRAFF ne peut excéder la valeur du prix d'achat des marchandises livrées.
- GRAFF se réserve le droit de demander le retour du produit signalé comme défectueux afin de l'examiner.

### VI. Clause de réserve de propriété

- Graff se réserve le droit de propriété sur la marchandise vendue jusqu'au paiement complet par l'Acquéreur des sommes résultant du contrat.
- L'Acquéreur est tenu de notifier à Graff les saisies de marchandises dans le cadre d'un recours à une procédure d'exécution visant l'Acquéreur ou ses biens.
- Si l'Acquéreur n'effectue pas les paiements pour les marchandises dans le délai convenu, Graff est en droit de demander la restitution des marchandises de la part de l'Acquéreur. En cas d'usure ou de dommages sur les marchandises, Graff est en droit d'exiger une indemnisation à ce titre.

### VII. Responsabilité

- Graff décline toute responsabilité en cas de mauvaise utilisation de ses produits. GRAFF ne sera pas non plus tenu responsable d'un montage incorrect (non conforme aux instructions écrites incluses) du produit et de son installation par l'installateur.
- Graff est responsable des dommages causés par ses produits, sauf s'ils résultent d'une malveillance ou d'une négligence. Graff n'est pas responsable des négligences de ses salariés ou de ses collaborateurs.

- En cas de changement d'adresse de l'Acquéreur, l'Acquéreur est tenu d'en informer Graff par écrit. En cas de non-respect de cette obligation, la correspondance adressée à l'adresse connue jusqu'alors sera réputée avoir été reçue.
- Si certaines dispositions des CGV s'avéraient nulles, ceci n'affecterait pas la validité des autres dispositions des CGV.

IT **GRAFF Condizioni Generali di Vendita****I. Condizioni Generali**

1. Le presenti Condizioni Generali di Vendita (di seguito CGV) si applicano a tutte le vendite effettuate da GRAFF e costituiscono parte integrante di tali transazioni. Le presenti CGV non si applicano alle vendite concluse con i clienti finali (utenti).
2. Le presenti CGV sono note pubblicamente sul sito [www.graff-mixers.com](http://www.graff-mixers.com), e le informazioni in esse contenute sono comunicate all'Acquirente prima di concludere l'accordo commerciale. Sottoscrivendo tale accordo o inviando un ordine, l'Acquirente riconosce di aver letto e compreso le CGV e conferma di applicare e adottare tutte le relative condizioni.
3. Qualora l'Acquirente abbia avviato un rapporto commerciale con Graff senza aver tuttavia sottoscritto un accordo commerciale, l'accettazione da parte dell'Acquirente delle CGV relativamente ad un ordine verrà estesa a tutti i successivi ordini.
4. Se l'Acquirente ha inviato una notifica di non accettazione delle CGV, Graff ha il diritto di sospendere l'invio di materiale finché non riceverà una dichiarazione scritta dell'Acquirente dell'accettazione delle CGV.
5. Graff non accetta CGV predisposte e applicate dall'Acquirente nella misura in cui esse non rispettino o divergano dalle presenti CGV, fatto salvo il caso in cui Graff confermi in forma scritta di accettare le CGV dell'Acquirente.

**II. Conclusione dell'Accordo**

1. Le condizioni commerciali relative ad un dato periodo per le transazioni tra Graff e l'Acquirente sono descritte nell'accordo commerciale sottoscritto dalle due parti. La sottoscrizione di tale accordo commerciale avrà la stessa valenza dell'accettazione delle presenti CGV. Per gli aspetti non specificati nell'accordo commerciale, verranno applicate le presenti CGV.
2. In assenza dell'accordo commerciale, il documento vincolante per le parti sarà l'ordine dell'Acquirente inviato in forma scritta, confermato da Graff entro 2 giorni lavorativi dalla sua ricezione. In mancanza di tale conferma l'ordine verrà considerato non accettato. Nella conferma d'ordine Graff conferma le condizioni applicate alle forniture (nel caso in cui differiscano da quanto precedentemente concordato).
3. L'ordine dovrà riportare i seguenti dati: nome e indirizzo per esteso dell'Acquirente; prodotti ordinati e relative quantità; data e indirizzo di consegna; tipo di pagamento e scadenza. L'ordine dovrà riportare il timbro dell'azienda e dovrà essere sottoscritto da una persona autorizzata a inviare gli ordini per conto dell'Acquirente.
4. I listini, le inserzioni e altra documentazione relativa ai prodotti Graff sono divulgati solo a scopo informativo e non possono essere considerati come vincolanti.

**III. Prezzi e Termini di Pagamento**

1. I prezzi al pubblico indicati da Graff nel listino sono al netto di IVA (la quale varia in base al paese di destino) e sono franco fabbrica.
2. Qualora richiesto dal Cliente, Graff potrà organizzare il trasporto fino al luogo specificato dal Cliente, in tal caso tutti i relativi costi sono sostenuti dal Cliente fatte salve altre disposizioni concordate in forma scritta. Graff ha il diritto di selezionare il tipo di trasporto e vettore. Non appena l'Acquirente riceverà la merce, quest'ultimo avrà l'obbligo di notificare a Graff in forma scritta tutti gli eventuali danni subiti dalla merce durante il trasporto. La merce verrà assicurata per la durata del trasporto contro danni, furti o perdite a spese dell'Acquirente.
3. Il prezzo di vendita per l'Acquirente sarà basato sul listino valido al momento dell'invio dell'ordine. Il prezzo di vendita sarà il prezzo di listino da cui verrà dedotto uno sconto commerciale, laddove confermato da Graff in forma scritta (o nell'accordo commerciale o nella conferma d'ordine).
4. All'Acquirente può essere offerto uno sconto commerciale sotto forma di detrazione dal prezzo di listino senza IVA o sotto forma di sconto campionatura, ovvero sconto speciale sul prezzo di listino per l'acquisto di prodotti da parte dell'Acquirente destinati all'esposizione.
5. Graff ha il diritto di modificare i prezzi di listino con o senza preavviso nei confronti dell'Acquirente. La modifica del prezzo non si applica agli ordini già confermati.
6. Il saldo del pagamento per tutto il materiale ricevuto dovrà essere effettuato entro la scadenza specificata nell'accordo commerciale o fattura. Qualora la scadenza specificata nell'accordo o nella fattura sia variabile, il pagamento dovrà essere effettuato nei termini a più breve scadenza. In ogni caso la scadenza del pagamento dovrà essere calcolata a decorrere dalla data della fattura.
7. Come data del pagamento dell'Acquirente verrà considerata la data in cui l'importo verrà accreditato nel conto bancario della Graff.
8. Eventuali reclami non autorizzeranno l'Acquirente a sospendere il pagamento della merce o di parte di essa.
9. Durante il rapporto di collaborazione con Graff, l'Acquirente non avrà diritto a effettuare una dichiarazione unilaterale di rivalsa.

10. Qualora sussista un ritardo di pagamento, Graff ha il diritto di applicare degli interessi pari all'8% per tale morosità.

11. Qualora l'Acquirente non rispetti la scadenza massima per il pagamento di almeno una fattura relativa alla merce consegnata, Graff avrà il diritto di richiedere il pagamento immediato delle altre fatture il cui termine di pagamento non è ancora scaduto.

12. Se sussiste un ritardo di pagamento per le fatture scadute, Graff ha il diritto di sospendere la fornitura di altri ordini inviati dall'Acquirente. Qualora i ritardi di pagamento debbano ripetersi o risulti evidente l'insolvenza del Cliente, Graff ha il diritto di revocare l'accordo commerciale con effetto immediato.

**IV. Termini di Consegna**

1. La consegna della merce ordinata dall'Acquirente è soggetta all'ordine dell'Acquirente e alla conferma d'ordine di Graff. Qualora l'ordine e la conferma d'ordine presentino delle differenze la conferma d'ordine avrà valenza sull'ordine. Il termine di consegna verrà calcolato a decorrere dalla data della conferma d'ordine e non dalla data dell'ordine. La data di consegna verrà considerata rispettata se la merce è inviata dal magazzino Graff prima della sua scadenza.
2. Graff ha il diritto di posticipare la data di consegna senza alcuna penale se l'Acquirente ha dei ritardi di pagamento nei confronti della Graff per la fornitura di materiale già consegnato.
3. Graff notificherà per iscritto la data di consegna promessa nella conferma d'ordine. Graff farà tutto il possibile per rispettare la data promessa. La data promessa riportata anche in conferma d'ordine non è una data vincolante. In nessun caso eventuali ritardi di consegna possono dare diritto a degli indennizzi per il cliente.
4. Qualora la consegna del materiale non sia stata possibile per cause di forza maggiore che hanno colpito la Graff o i suoi fornitori, l'Acquirente non avrà diritto a rivendicare il danno subito a causa della non adempimento o ritardo nell'adempimento degli obblighi relativi all'accordo commerciale. Per forza maggiore si intendono in particolare problemi nello svolgimento dell'attività del produttore; scioperi; carenza di materiale, forza lavoro o mezzi di trasporto e calamità naturali.
5. L'Acquirente ha il diritto di rifiutare consegne parziali. Graff sarà tenuto a ricevere conferma scritta da parte dell'Acquirente sull'accettazione di consegne parziali. Ogni consegna parziale dovrà essere fatturata separatamente.
6. Il reso di materiale (precedentemente fornito nel rispetto dei termini indicati nella conferma d'ordine) senza previo accordo di Graff non è autorizzato. La merce rinviata al magazzino della Graff senza che quest'ultima ne sia stata a conoscenza non verrà accettata. In caso di reso concordato relativo a merce acquistata dal Cliente, la merce verrà fatturata con un valore pari al 30% del prezzo precedentemente fatturato a causa dei costi di gestione del reso. Graff accetterà la merce soltanto se restituita negli imballi originali e in confezioni integre.
7. Il reso di materiale difettoso costituirà un'eccezione a quanto stabilito nell'art. IV.6.

**V. Reclami**

1. I reclami relativi a danni visibili alla merce o all'imballo vanno segnalati all'atto della consegna al trasportatore e riportati sul documento di trasporto. In ogni caso va fatta la segnalazione a Graff entro un massimo di 8 giorni dalla data di consegna pena la decadenza della contestazione.
2. I reclami relativi alle quantità consegnate vanno segnalati all'atto della consegna al trasportatore e riportati sul documento di trasporto. In ogni caso va fatta la segnalazione a Graff entro un massimo di 8 giorni dalla data di consegna pena la decadenza della contestazione.
3. I reclami presentati dai clienti finali dovranno essere preventivamente verificati dal personale dell'Acquirente e dovranno essere immediatamente notificati a Graff, ovvero entro 24 ore dalla segnalazione del cliente finale.
4. Tutti i reclami dovranno essere presentati in forma scritta. Il reclamo dovrà essere accompagnato da una foto relativa al difetto del prodotto e da una breve descrizione dello stesso.
5. Qualora il reclamo venga accettato, Graff ha l'obbligo di risolvere il problema. Sarà Graff a decidere a propria discrezione come risolvere il problema.
6. L'acquirente avrà l'obbligo di conservare la merce difettosa con la dovuta cura e in modo tale da prevenire ulteriori danni o ulteriori conseguenze negative, finché la contestazione non verrà definitivamente risolta.
7. Qualora i reclami non vengano presentati nei modi e termini indicati nelle Condizioni Generali di Vendita e di garanzia, l'Acquirente perderà il diritto al reso della merce.
8. GRAFF non è responsabile per eventuali costi di mano d'opera, installazione o altri costi a carico del cliente. In nessun caso la responsabilità di GRAFF potrà eccedere il valore del prezzo di acquisto della merce fornita.
9. GRAFF si riserva il diritto di chiedere la restituzione del prodotto segnalato come difettoso per poterlo esaminare.

**VI. Diritti sulla Merce**

1. Graff detiene i diritti sulla merce venduta finché l'Acquirente non salderà tutti i pagamenti dovuti.
2. L'Acquirente avrà l'obbligo di notificare a Graff l'eventuale confisca della merce per effetto di provvedimenti cautelativi nei confronti dell'Acquirente o delle sue proprietà.
3. Se l'Acquirente non effettuerà il pagamento della merce alla scadenza dovuta, Graff avrà il diritto di richiedere all'Acquirente il reso della merce. Qualora la merce sia stata utilizzata o danneggiata, Graff avrà il diritto ad un risarcimento.

**VII. Responsabilità**

1. Graff non è responsabile in caso di uso non corretto dei suoi prodotti. Non può essere inoltre considerata responsabile in caso di installazione non corretta (non in conformatà con le istruzioni fornite da Graff).
2. Graff sarà ritenuta responsabile per danni causati dai propri prodotti solo qualora sussista una cattiva volontà o negligenza da parte della Graff. Graff non sarà ritenuta responsabile per la negligenza dei propri dipendenti o partner commerciali.
3. In ogni caso la responsabilità di Graff sarà limitata alle circostanze note o preventivamente al momento della conclusione dell'accordo.
4. Graff non sarà ritenuta responsabile per mancati guadagni dell'Acquirente o di terzi. Graff non sarà altresì ritenuta responsabile per eventuali azioni legali contro l'Acquirente per opera di terzi.

**VIII. Risoluzione dell'Accordo Commerciale**

1. Se Graff e l'Acquirente hanno concluso l'accordo di cooperazione commerciale, ciascuna Parte può recedere dal contratto previa comunicazione iscritta in qualsiasi momento.
2. In mancanza dell'accordo di collaborazione commerciale, Graff può terminare l'accordo concluso tramite la conferma dell'ordine con effetto immediato, qualora non sia in grado di dar seguito all'ordine per ragioni che non rientrano nel suo controllo.

**IX. Disposizioni finali**

1. L'accordo concluso tra le parti e/o le CGV sono soggette alle normative vigenti nel paese in cui è stata emessa la fattura per la fornitura dei prodotti Graff.
2. Le parti escludono l'applicazione della Convenzione delle Nazioni Unite sulla Vendita Internazionale dei Beni.
3. Tutte le (eventuali) controversie inerenti alle CGV o all'accordo commerciale saranno sottoposte da ambo le parti al foro competente del paese in cui è stata emessa la fattura per i prodotti Graff.
4. In caso di variazione dell'indirizzo dell'Acquirente, quest'ultimo avrà l'obbligo di trasmettere il nuovo indirizzo in forma scritta alla Graff. Qualora l'Acquirente manchi di farlo avranno validità tutte le comunicazioni inviate al precedente indirizzo.
