Art of Bath

## *INSPIRATIONS 2021 / 22*

*There is a point where style meets the essential values of life,  
where design and quality become a commitment.*

*Internationally recognized as an avant-garde manufacturer of exciting, trend-setting bathroom  
and kitchen fixtures, GRAFF has built its reputation as an interpreter and protagonist of modern  
lifestyle, bringing creativity and inspiration into many homes, and as a company, being keenly  
aware of human and environmental issues and values.*

*A.D. 1507 – 1573 J.B.VIGNOLA-architect  
Inspiration of timeless architecture*

*The Vignola Collection from GRAFF draws inspiration  
from Bologna's iconic porticos. It's named for famed  
architect Jacopo Barozzi Vignola,  
who is considered one of the greatest Italian architects  
of the 16th century. His works include  
the Palazzo dei Banchi and St. Peter's Basilica.*

*Drawing inspiration from an industrial water pump,  
G+Design Studio enhanced the design of an existing product  
to create an elegant and modern object for everyday use.  
Whether in the single-hole version, or in its  
widespread or wall-mounted models,  
Bali retains its unique ties to both  
the past and the present.*

*Refinement and exuberance-  
Art Deco -Tamara de Lempicka 1898-1980  
-influencer*

*The Finezza name and designs were inspired by the exquisite forms of the Art Deco era.*

*While reviewing the iconic works of Tamara de Lempicka the GRAFF studio designers were inspired by her outstanding legacy and contribution to the Art Deco painting movement. That's how another Art of Bath Series was created.*

*With its timeless silhouette, Finezza embodies a sophisticated elegance that spans over decades and shines for its timeless glamour.*

*Tamara de Lempicka had a vivid style all of her own (a true original) characterized by clean lines and an elegant fusion of classical and contemporary elements.*

*The Finezza Collection celebrates her originality and dedication to timelessness.*
